# Subject: Revised Mental Health Rehabilitation Services, Addition Services and Opioid Treatment Programs

**Summary:** The Louisiana Department of Health has revised chapters for Mental Health Rehabilitation Services (MHR), Addition Services and Opioid Treatment Programs (OTP) to the Medicaid Behavioral Health Services Provider (BHSP) Manual.

It is important that you review this information to ensure that you and your agency are complying with these processes. Please refer to the <u>BHSP manual</u> for details.

**Note**: New language is underlined. Deleted language has a strikethrough.

| Topic and Reference Section/Page      | Description                                   |
|---------------------------------------|---|
| Mental Health Rehabilitation Services | Staff Supervision for Non-Licensed Staff      |
| (Section 2.3, Pages 154-158)          | Providing PSR and CI                          |
|                                       | A maximum of 50% of the individual and        |
|                                       | group meetings may be telephonic or via a     |
|                                       | secure Health Insurance Portability and       |
|                                       | Accountability Act HIPAA compliant online     |
|                                       | synchronous videoconferencing                 |
|                                       | platform. Texts and/or emails cannot be       |
|                                       | used as a form of supervision to satisfy this |
|                                       | requirement. Any protected health             |
|                                       | information discussed during supervision      |
|                                       | must be HIPAA compliant.                      |
|                                       |   |
| Mental Health Rehabilitation Services | CPST Provider Qualifications                  |
| (Section 2.3, Pages 160-162)          | Agency  |
|                                       | Arranges for and maintains documentation      |
|                                       | that all persons, prior to employment, are    |
|                                       | free from Tuberculosis (TB) in a              |
|                                       | communicable state as defined by the LAC      |
|                                       | 51:II.Chapter 5 to reduce the risk of such    |
|                                       | infections in members and staff. Results      |
|                                       | from testing performed over thirty (30) days  |

|   | prior to date of employment will not be<br>accepted as meeting this requirement;<br>Staff<br>Pass a TB test prior to employment   |
|---|---|
