Provider Network Monitoring Elements	Met	Not Met
MHR/CPST/PSR/CI		
Accredited by the Commission on Accreditation of Rehabilitation		
Facilities (CARF), the Council on Accreditation (COA), or The Joint		
Commission (TJC) for the location reviewed.		
Agencies must attain full accreditation within 18 months of the initial		
accreditation application date.		
The agency shall pay all associated accreditation fees prior to being		
contracted and reimbursed by a Medicaid managed care entity.		
Verification that the agency's demographic information is accurate in		
the MCO's system		
The agency has a medical director.		
The agency has an administrator.		
The agency has a clinical supervisor		
The agency has a mental health supervisor for providers of CPST and		
PSR only who is a full-time physician or full-time LPC, LCSW, LMFT,		
medical psychologist, licensed psychologist, or licensed APRN with a		
psychiatric specialization and employed at least 35 hours per week.		
The agency has nursing staff.		
Provider must maintain results in personnel records that prior to		
hiring or contracting any employee or contractor that performs		
services that are compensated with Medicaid/Medicare funds,		
including but not limited to licensed and unlicensed staff, interns		
and/or contractors, agency reviewed the Department of Health and		
Human Services' Office of Inspector General (OIG) List of Excluded		
Individuals and Entities (LEIE) .		
Provider must maintain results in personnel records that once a		
month, for current employees, agency checked the Department of		
Health and Human Services' Office of Inspector General (OIG) List of		
Excluded Individuals and Entities (LEIE) to determine if they have		
been excluded from participation in the Medicaid or Medicare		
Program by Louisiana Medicaid or the Department of Health and		
Human Services' Office of Inspector General.		
Provider must maintain results in personnel records that prior to		
hiring oror contracting any employee or contractor that performs		
services that are compensated with Medicaid/Medicare funds,		
including but not limited to licensed and unlicensed staff, interns		
and/or contractors, agency must review the Department of Health		
and Human Services' Office of Inspector General (OIG) List of		
Excluded Individuals and Entities (LEIE) .		

Provider must maintain results in personnel records that once a month, for current employees, agency checked the LDH State Adverse Actions to determine if there is a finding that an employee or contractor has abused, neglected or extorted any individual or if they have been excluded from participation in the Medicaid or Medicare Program by Louisiana Medicaid or the Department of Health and Human Services' Office of Inspector General.
