Provider Network Monitoring Elements	Met	Not Met
Peer Support Services		
Licensed by the Louisiana Department of Health (LDH), in accordance		
with LAC 48:1, Chapter 90, entitled Psychiatric Residential Treatment		
Facilities for the location reviewed.		
Licensed by the Louisiana Department of Health (LDH) per La. R.S.		
40:2151 et seq.; of the location reviewed.		
PSS must be provided under the administrative oversight of licensed and		
accredited local governing entities (LGEs).		
Accredited by the Commission on Accreditation of Rehabilitation		
Facilities (CARF), the Council on Accreditation (COA), or The Joint		
Commission (TJC) for the location reviewed.		
Verification that the agency's demographic information is accurate in		
the MCO's system		
The agency must be Physician directed.		
One (1) RPSS to twenty-five active members.		
Must be at least 21 years of age		
Must have at least twelve (12) months of continuous recovery, which is		
demonstrated by a lifestyle and decisions supporting an individual's		
overall wellness and recovery.		
Provider must maintain results in personnel records that prior to hiring		
or contracting any employee or contractor that performs services that		
are compensated with Medicaid/Medicare funds, including but not		
limited to licensed and unlicensed staff, interns and/or contractors,		
agency reviewed the Department of Health and Human Services' Office		
of Inspector General (OIG) List of Excluded Individuals and Entities (LEIE)		
Provider must maintain results in personnel records that once a month,		
for current employees, agency checked the Department of Health and		
Human Services' Office of Inspector General (OIG) List of Excluded		
Individuals and Entities (LEIE) to determine if they have been excluded		
from participation in the Medicaid or Medicare Program by Louisiana		
Medicaid or the Department of Health and Human Services' Office of		
Inspector General.		
Provider must maintain results in personnel records that prior to hiring		
oror contracting any employee or contractor that performs services that		
are compensated with Medicaid/Medicare funds, including but not		
limited to licensed and unlicensed staff, interns and/or contractors,		
agency must review the Department of Health and Human Services'		
Office of Inspector General (OIG) List of Excluded Individuals and Entities		
(LEIE) .		

Provider must maintain results in personnel records that once a month, for current employees, agency checked the LDH State Adverse Actions to determine if there is a finding that an employee or contractor has abused, neglected or extorted any individual or if they have been excluded from participation in the Medicaid or Medicare Program by Louisiana Medicaid or the Department of Health and Human Services' Office of Inspector General. Establish and maintain written policies and procedures inclusive of drug testing staff to ensure an alcohol and/or drug-free workplace and/or a workforce free of substance use Employees and/or Contractors pass drug screening tests as required by agency's policies and procedures; Employees and contractors must not be excluded from participation in the Medicaid or Medicare Program by Louisiana Medicaid or the Department of Health and Human Services' Office of Inspector General; Direct care staff must not have a finding on the Louisiana State Adverse Action List; Agency must arrange for prior to employment (or contracting, volunteering, or as required by law) individuals pass criminal background checks, including sexual offender registry checks, in accordance with any applicable federal or state laws. Agency must maintain documentation that prior to employment (or contracting, volunteering, or as required by law) individuals pass criminal background checks, including sexual offender registry checks, in accordance with any applicable federal or state laws. Criminal background checks are performed no more than 90 days prior to the date of employment Arrange for and maintain documentation that all persons, prior to employment, are free from tuberculosis (TB) in a communicable state via skin testing (or chest exam if recommended by physician) to reduce the risk of such infections in members and staff. TB testing was completed less than 30 days prior to date of employment Maintain documentation that all direct care staff, who are required to complete CPR & First Aid training, comp
